PROFESSIONAL SUMMARY

Frontend Developer with 2 years of professional experience building responsive and scalable web applications using React.js, JavaScript, HTML, and CSS. Skilled in developing intuitive user interfaces, integrating REST APIs, implementing authentication systems, and optimizing application performance. Experienced in collaborating with cross-functional teams to deliver high-quality web solutions.

EXPERIENCE

Frontend Developer — LEANK (KEI) SERVICES INDIA PVT. LTD.

Jan 2025 – Present

- Developed and maintained scalable Human Resource Management System (HRMS) applications using React.js, JavaScript, HTML, CSS, and reusable component-based architecture.
- Built responsive and user-friendly interfaces for employee management, attendance tracking, leave management, payroll workflows, and performance monitoring modules.
- Optimized application performance, enhanced UI responsiveness, and ensured cross-browser compatibility across multiple devices.

Prompt Engineering Intern — Aspect Technologies

Dec 2023 – Jan 2024

- Explored and applied prompt engineering techniques to optimize AI-generated outputs for various business and technical use cases.
- Gained hands-on experience with AI tools, natural language processing concepts, and prompt optimization strategies.

TECHNICAL SKILLS

Frontend: React.js, JavaScript, HTML5, CSS3, Tailwind CSS, Bootstrap

Backend: Node.js, Express.js, JWT Auth, Refresh Tokens

Database: MongoDB

Languages/Tools: Figma, JavaScript, C++, Git, GitHub, Postman, ThunderClient, Vercel, Render, VS Code, Visual Studio

PROJECTS

Solar Website

[Live Demo](#)

- Developed a modern and responsive solar energy company website using React.js and reusable UI components.
- Designed service, product, and contact sections with a focus on user experience and mobile responsiveness.

Personal Portfolio

[Live Demo](#)

- Created a professional portfolio website to showcase projects, technical skills, and work experience.

Class Website

[Live Demo](#)

- Built a responsive educational website for a coaching institute featuring course details and student-focused information.
- Developed an intuitive user interface with optimized performance and cross-device compatibility.

EDUCATION

B.E. in Computer Engineering — GCOERC Nashik

2021 – 2025 — CGPA: 8.3

HSC (Science) — RNC College, Nashik

2021 — 83%

SSC — Purushottam English School, Nashik

2019 — 80.40%

CERTIFICATIONS

- Prompt Engineering — Aspect Technologies
